IBRAHIM H. ALSALEM, CHE

Chartered Economist | Performance Measurement, KPI Scorecards & Executive Reporting | MSc Imperial College London
Riyadh, Saudi Arabia · +966 53 355 5954 · ibrahimhalsalem@gmail.com · linkedin.com/in/ibrahimhalsalem · basaradvisory.com

PROFESSIONAL SUMMARY

Chartered Economist with 10+ years turning strategic objectives into measurable indicators, scorecards, and executive-ready reporting across Saudi public institutions and the private sector, including Elm itself. Designed KPI scorecards and consolidated enterprise-wide budget, financial performance, and delivery data for senior leadership at Elm; led national-scale analytical workstreams at the Ministry of Economy and Planning, coordinating data collection with 10+ government bodies and delivering decision-ready reports to ministerial leadership. Builds dashboards and performance analyses in Power BI, Tableau, R, and Stata, and identifies variances, gaps, and improvement opportunities from the evidence. MSc Economics & Strategy for Business (Imperial College London); native bilingual Arabic and English.

Domain: GCC Markets · Public Sector Research · Tourism & Consumer Sectors · Digital & Technology · Vision 2030 · Cross-Border Analytics

PROFESSIONAL EXPERIENCE

Independent Economic Consultant — Basar Advisory · basaradvisory.com *2025 - Present · Riyadh, KSA*

- Advising private-sector clients on sector research, demand modeling, and expansion strategy aligned with Vision 2030.
- Designed and delivered an end-to-end market research engagement (GCC/Jordan): consumer segmentation, willingness-to-pay modeling, and competitive analysis translated into a quantitative pricing and market-entry strategy.
- Completing CFI Business Intelligence & Data Analyst (BIDA) and Financial Modeling & Valuation Analyst (FMVA) certifications while maintaining active modeling output in R and Stata.

Economic Expert - Labor Market Policy — Ministry of Economy and Planning *2023 - 2025 · Riyadh, KSA*

- Owned three flagship analytical workstreams (unemployment forecasting, foreign-worker remittance forecasting, and shadow-economy estimation), integrating multi-source administrative data collected in coordination with 10+ government bodies.
- Communicated findings through decision-ready, executive-level reports and presentations for ministerial leadership and inter-ministerial committees, supporting cross-government knowledge-sharing across functional areas.
- Lead researcher for the labor market team: designed and continuously refined national-scale methodologies on multi-year datasets, with end-to-end ownership from research design through data collection, modeling, and reporting.
- Analyzed the impact of labor-market policies and regulatory developments; produced reports, technical notes, and policy briefs whose findings fed into published national strategy documents and reached the highest levels of government.

Assistant Commercial & Data Insight Manager — Saudi Tourism Authority *2023 · Riyadh, KSA*

- Designed and maintained executive dashboards and analytical reports communicating performance and research findings to internal and external stakeholders.
- Produced economic impact analyses, predictive revenue forecasts, and competitive intelligence reports supporting multi-million SAR investment and commercial decisions.
- Led sector research on the inbound tourism portfolio: demand pattern analysis, competitive benchmarking of source markets, and segmentation modeling using consumer, economic, and behavioral data.

Senior Analyst, Programs & Planning — Elm Company · Saudi Arabia's leading digital solutions and technology firm *2019 - 2020 · Riyadh, KSA*

- Designed KPI scorecards and consolidated enterprise-wide budget forecasts, financial performance data, and program delivery timelines into integrated performance reporting outputs for senior leadership.

- Led research and analytical workstreams across the Programs & Planning contract portfolio of national-scale digital projects, applying scenario and sensitivity analysis within multi-year planning frameworks.

Associate Consultant — Strategic Gears · Management consulting *2018 - 2019 · Riyadh, KSA*

- Delivered organizational performance reviews, market assessments, and competitive intelligence for Saudi public and private-sector clients across government, financial services, and consumer sectors.

Business Intelligence Analyst — Takamol Holding · Digital platforms for Vision 2030 labor-market reform *2015 - 2018 · Riyadh, KSA*

- Designed dashboards and simulations measuring program effectiveness and supporting Vision 2030-aligned business cases.
- Built the BI infrastructure for Takamol's e-learning platform; concurrently served as analytical advisor to three VPs within the Saudi Employment Department.
- Developed econometric models in R and Stata supporting national labor-market research, including topical reports on telework and adjacent workforce dynamics.

Behavioral Economics Consultant (Part-time, Daily Rate) — Hawaz · Concurrent engagement during Takamol tenure *2017 · Riyadh, KSA*

- Developed and presented a behavioral economics RFP submission to the Ministry of Health; the bid was successful.

EDUCATION

MSc Economics & Strategy for Business - Merit — Imperial College London *2020 - 2022 · London, UK*

Advanced training in econometrics, macroeconomic modeling, business strategy, and quantitative finance.

BSc Economics & BSc Psychology (Dual Degree), Minor in Mathematics — University of Michigan-Ann Arbor *2010 - 2015 · Ann Arbor, MI, USA*

GPA 3.55 / 4.00; Dean's List; quantitative coursework in econometrics, statistics, behavioral science, and applied mathematics.
